

PROCEEDINGS OF THE BROWN COUNTY
PUBLIC SAFETY COMMITTEE

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Thursday, March 5, 2009 at the Brown County Jail - 3030 Curry Lane, Green Bay, WI

Present: Carole Andrews, Bill Clancy, Andy Nicholson, Andy Williams
Excused: Tom DeWane
Also Present: John Gossage, Don Hein, Randy Schultz, Jack Jadin,
John Zakowski, Susan Tilot, Lois Mischler
Jim Nickel, Cullen Peltier, County Executive Tom Hinz
Other Interested Parties

Tour of Jail @ 4 p.m. Meeting to Follow

- I. **Call Meeting to Order:**
The meeting was called to order by Chairman Andy Nicholson at 5:00 p.m.
 - II **Approve/Modify Agenda:**
A request was made to move #18 forward – Teen Court

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve as modified. MOTION APPROVED UNANIMOUSLY
 - III. **Approve/Modify Minutes of February 5, 2009:**

Motion made by Supervisor Williams and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY
 1. **Review Minutes and Reports of:**
 - a. **Criminal Justice Coordinating Board (1/27/09):**

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to receive and place and place on file. MOTION APPROVED UNANIMOUSLY
- Carry-Overs:**
2. **Public Safety Division 2008 to 2009 Carryover Funds:**

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve. MOTION APPROVED UNANIMOUSLY
- District Attorney:**
3. **Monthly Drug Criminal Complaint Numbers:**
A synopsis of February drug cases was distributed and is attached. In addition, Susan Tilot presented detailed copies to be filed in the County Board office. Mr. Zakowski indicated that resolution of the various files can be found on CCAP.

When asked by Chairman Nicholson the status of backlog, Mr. Zakowski estimated it at 50%.

Information related to the "*Drug Offender Neighborhood Search*" that can be found on the Brown County web site under "*District Attorney*" was distributed and is attached. This web site was created for public access to information related to drug related convictions in the community. Zakowski stated that the web site has been averaging 500 hits/inquiries per month.

Supervisor Williams asked the status of the development of an ordinance related to non-narcotic controlled substances. Zakowski asked that this be put on the April agenda. Williams explained this ordinance would be an additional tool for the DA's office to use.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY

Emergency Management Office:

4. Resolution re: Emergency Management Department Change to Table of Organization:

Cullen Peltier explained that after a request from Emergency Management to evaluate the department, Human Resources has determined that based on unmet needs, they recommend eliminating the .5 FTE Office Manager I position and adding 1.0 FTE Emergency Management Coordinator position. The position will be placed in Grade 12 of the Administrative Class and Compensation Plan and will be 50% grant funded through the EPCRA Planning & Administration Grant. Fiscal impact associated with the above recommendation is \$29,921.26 (50% grant funded - \$14,960.53). (Brown County EM Levy Impact attached).

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY

(Moved to #18 on the agenda)

Public Safety Communications:

5. Initial Resolutions Authorizing the Issuance of Not to Exceed \$12,910,000 Corporate Purpose General Obligation Bonds of Brown County, Wisconsin in one or more series at one or more times:

a. Initial Resolution authorizing General Obligation Bonds in an amount not to exceed \$1,370,000:

This resolution relates to the issuance of general obligation bonds in the amount of \$1,370,000 for the purpose of paying for costs of constructing and equipping the public safety building, which are in addition to the amount previously authorized.

b. Initial Resolution authorizing General Obligation Bonds in an amount not to exceed \$1,925,000:

This resolution also authorizes general obligation bonds in the amount of \$1,925,000 for the purpose of paying the costs of upgrading the

emergency communications (911) system, including CAD upgrade and Radio-Phase I.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve 5a & 5b. MOTION APPROVED UNANIMOUSLY

6. Grant Application Review for FY 2009 EOC Grant Program:

Cullen Peltier requested approval to apply for this grant from the US Department of Homeland Security to be used to equip the new EOC. The one time grant will allow Brown County the opportunity to update computer equipment, furniture, etc. The grant is in the amount of \$90,000 with a 25% program match that will be met with a combination of in-kind donations and levy dollars.

Motion made by Supervisor Williams and seconded by Supervisor Andrews to approve grant application. MOTION APPROVED UNANIMOUSLY

7. Request for Budget Transfer (#09-09): Increase in Expenditures with Offsetting Increase in Revenue: Brown County Emergency Management has to be awarded a FFY 2009 Hazardous Materials Emergency Preparedness (HMEP) Planning Sub-grant in the amount of \$4,800.00 to complete a Highway 42 Reconstruction HazMat Response Commodity Flow Response Template:

Mr. Peltier explained that Brown County Emergency Management has been awarded a FFY 2009 Hazardous Materials Emergency Preparedness (HMEP) Planning Sub-Grant in the amount of \$4,800 to complete a Highway 41 reconstruction HazMat response/commodity flow response template. This budget transfer is required to process the dollars.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY

8. Request for Budget Transfer (#09-10): Increase in Expenditures with Offsetting Increase in Revenue: Brown County Emergency Management has been awarded a FFY 2009 Hazardous Materials Emergency Preparedness (HMEP) Planning Sub-grant in the amount of \$4,700.00 to complete an All-Hazards Business Evacuation Template:

Similar to #7 above, Brown County Emergency Management has been awarded a sub-grant in the amount of \$5,800 to complete an all-hazards business evacuation template.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve. MOTION APPROVED UNANIMOUSLY

9. Director's Report:

Jim Nickel distributed a written report, highlighting the following activities during the last reporting period:

- New Communications Center Project – The project is on schedule and inmates were back in the cell block on 2/21. Supervisors will begin working on a detailed move plan.
- 911 Console Furniture – Vendors were narrowed from six to two and a bid awarded to Xybix.
- Telephone Lines – Work continues on a detailed plan with IS to change all administration and non-emergency numbers. Approximately 100 lines will have to be changed or moved.
- Replacement Computer Aided Dispatching System – The revised Brown County CAD System proposal has been received and reviewed with IS. This is part of the 2009 bonding plan which will replace the more expensive Foxcomm CAD system. The next step is negotiations with Motorola.
- MABAS - The mutual aid fire program began on February 1st.
- Foxcomm – Discussions have been held with the Foxcomm Fiscal Advisory Board to delay the move of their equipment until after September 30th to allow for relocation of the Center and the addition of new CAD equipment. An earlier move would disrupt services to Brown County.

Mr. Nickel indicated that Foxcomm has requested an additional \$8,316 from Brown County as our 38.76% share of Foxcomm's equipment move cost. Supervisor Clancy and others on the committee disagreed with making any payment to Foxcomm. Supervisor Williams pointed out there will be no disruption to the Foxcomm services and they are getting rent at no cost.

County Executive Hinz, however, stated that he and Lynn Vanden Langenberg met with Foxcomm and agreed to pay the \$8,000 as a cooperative effort, stating there are other issues involved due to a vague contract.

Mr. Nickel agreed to have Corporation Council review the proposed agreement and bring back for further discussion.

- 800 MHz Rebanding – Rebanding of approximately 1000 units is underway with Green Bay Fire almost complete. Ashwaubenon began last week, and Green Bay Police will start later this month.
- National Telecom Week – This event will honor the efforts of Public Safety Telecommunicators nationwide. An awards ceremony is scheduled for April 15th at 4 p.m. at the Museum.
- VoIP – The first 911 call was received from India. The person had Voice Over IP service and had recently moved from Howard to India but failed to reset his location status. This illustrates the problem with this new technology that the FCC has recently directed the industry to address.

- Omnibus Appropriates Bill – Representative Kagan announced that Brown County was approved \$230,000 for a radio tower. The bill has passed the House, however, has yet to pass the Senate or be signed by the President.

Graphs showing the PSC call volumes are attached.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place on file. MOTION APPROVED UNANIMOUSLY

Sheriff:

10. **Resolution re: Change in Sheriff's Department Table of Organization – Add one Officer Position for Village of Suamico:**

Chief Deputy John Gossage explained this resolution which will add an officer position to the Sheriff's Department Table of Organization. This officer will be dedicated to law enforcement services in the Village of Suamico. The Brown County Sheriff's Department is willing to provide an officer for Suamico starting May 3, 2009 and continuing through the end of the year. Suamico has allocated \$56,600 for this purpose.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY

11. **Resolution re: Support for Primary Enforcement of the Seatbelt Law. (Referred from February County Board):**

Captain Randy Schultz, speaking for Sheriff Kocken, explained at last month's Public Safety Committee meeting a request was made to have Corporation Counsel research an amendment to the mandatory seatbelt ordinance to increase the forfeiture from \$10 to \$100. Corporation Counsel John Luetscher has concluded the County does not have the authority to increase the forfeiture.

Schultz stated that as this law has existed for many years and has proven statistically to be in the best interest of public safety, it does not make sense to consider it as a secondary enforcement law. The Sheriff recommends that it be made a primary enforcement law not only to make a statement to the community, but also to allow officers to enforce the law. If not approved by the end of June 2009, the State of Wisconsin could lose \$15.2 million. This funding will be used first for safety improvements and behavioral efforts, with the rest for improvements of highway infrastructure.

Supervisor Andrews suggested that approval of the resolution include a request to increase the fine presently at \$10.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to refer to Corporation Counsel with a request to add language to the resolution asking that the Legislature increase the \$10 fine so that it is sufficient to cover costs. MOTION APPROVED UNANIMOUSLY

(Supervisor Clancy excused 6 p.m.)

12. **Request for Budget Transfer (#09-12): Increase in Expenditures with Offsetting Increase in Revenue:** This budget transfer increases both revenues and expenditures to reflect participation in a Homeland Security grant passed through the Wisconsin Office of Justice Assistance. The grant provides \$56,465 with no local match requirement for the purpose of upgrading EOD robotic wireless equipment for the regional bomb squad. **Note:** This was previously addressed in budget transfers 08-62 and 08-76 in 2008 but delays in manufacturing have pushed this project into 2009:

John Gossage explained that this budget transfer increases both revenues and expenditures to reflect participation in a Homeland Security grant in the amount of \$56,465 with no local match requirement. It will be used for the upgrading of robotic wireless equipment for the regional bomb squad. Gossage pointed out that this was previously addressed in 2008, however, delays in manufacturing have pushed the project into 2009.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve. MOTION APPROVED UNANIMOUSLY

13. **Request for Budget Transfer (#09-13): Increase in Expenditures with Offsetting Increase in Revenue:** This is a request to increase grant revenue and expenditures to participate in a second round of state funding of digital recording equipment for interrogation rooms to comply with Wisconsin Act 60 requirements for recording certain interviews in a digital format. Funding would permit the purchase of three more units to be located in the Jail Work Release area and in two of the police services contract municipalities:

This transfer is to increase grant revenue and expenditures to participate in a second round of state funding of digital recording equipment for interrogation rooms. Funding will permit the purchase of three more units to be located in the Jail Work Release area, and in two of the police services contract municipalities.

Motion made by Supervisor Williams and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY

14. **Grant Application Review for Zero in Wisconsin:**
Captain Schultz explained this grant would fund additional patrol hours targeting speeding, OWI, and seat belt enforcement. A 25% match can be met by the current traffic enforcement team as part of their assigned duty, with no cost to the County.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve grant application. MOTION APPROVED UNANIMOUSLY

15. **Grant Application Review for Impaired Driving Enforcement (OWI):**
This grant will fund additional patrol hours targeting OWI enforcement. It will provide \$45,000 over a 9 month period.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve grant application. MOTION APPROVED UNANIMOUSLY

16. **Grant Application Review for HS Law Enforcement Specialty Team Equipment 2006:**

This grant requires no match and would provide \$60,000 over a 4 month period. It is a non-competitive grant to the Brown & Outagamie County Bomb Squads to enhance the team's ability to respond to acts of terrorism throughout Northeast Wisconsin by the utilization of a rapid response vehicle.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve. MOTION APPROVED UNANIMOUSLY

17. **Sheriff's Report:**

Chief Deputy Gossage reported that the jail is at a 725 capacity. He informed the committee that a \$25,000 allocation for pre-design of a pod to be constructed in 2010 is, per Bill Dowell, on track. An RFP is planned for distribution in March or April of this year with a goal of having it in place by August and in the budget for 2010.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place on file. MOTION APPROVED UNANIMOUSLY

Teen Court:

18. **Teen Court Stats:**

- Lois Mischler distributed January 2009 Teen Court Stats (attached). Ms. Mischler stated that she investigated questions from the February meeting of this committee related to battery (fight between boyfriend/girlfriend), disorderly conduct (bullying), and carrying a concealed weapon (brass knuckles were found in a student's coat after being disrespectful to a lunchroom monitor and suspected of using drugs).

Ms. Mischler also distributed a Volunteers in Probation Program Summary up to the time of closure of this program at the end of September 2008. There were 92 clients served. (See breakdown attached for details.)

A Teen Court Open House will be held in May. Date to be announced.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place on file. MOTION APPROVED UNANIMOUSLY

(Back to #5 on the agenda)

Clerk of Courts No agenda items – No Action

Circuit Courts No agenda items – No Action

Medical Examiner No agenda items – No action

Other:

19. **Audit of Bills:**

Motion made by Supervisor Williams and seconded by Supervisor Andrews to approve audit of bills. MOTION APPROVED UNANIMOUSLY

20. **Such other Matters as Authorized by Law:**

April Agenda:

- Non-Narcotic Controlled Substance Ordinance
- FoxComm Agreement

April Meeting:

To be held at Huber Facility

**Motion made by Supervisor Williams and seconded by Supervisor Andrews
to adjourn at 6:20 p.m. MOTION APPROVED UNANIMOUSLY**

Respectfully submitted,

Rae G. Knippel
Recording Secretary

Brown County District Attorney's Office

Welcome to the Brown County Drug Offender Web site.

The creation of this web site is to provide information to the general public.

This Web site is designed to enhance public safety by making the information contained within easily accessible to the public. It will also serve to enhance public awareness about drug related convictions in our community. The hope is that this Web site may also reduce the amount of drug offenses in Brown County.

The site displays the current reported residence address of the drug offender as of the date of conviction. We encourage the public to notify us if the information on the web site is believed to be inaccurate. The information contained in the web site is public record. The court records viewed here are all public records under the Wisconsin open records law. More detail about the defendant(s) and/or the offense(s) can be obtained through the Wisconsin Circuit Court Access program. (<http://wcca.wicourts.gov>)

Please read this agreement prior to using this web site:

1. Case information is added to the web site monthly. The web site information is accurate as of those updates.
2. The information contained on the web site is public record. Records not open to the public for inspection will not be displayed.

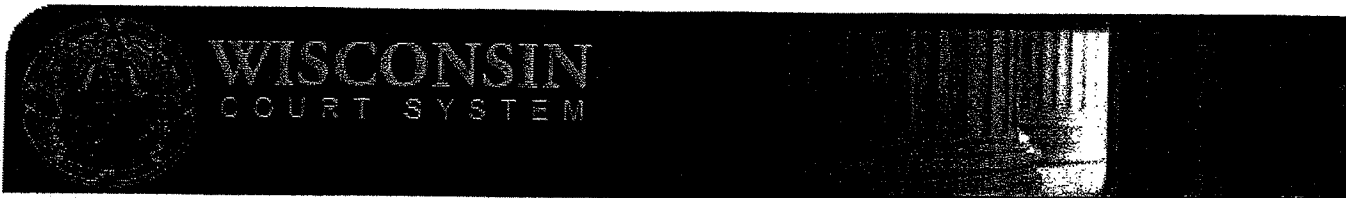

Notice to Employers: It may be a violation of state law to discriminate against a job applicant because of an arrest or conviction record. For more information see Wisconsin Statute 111.335 and the Department of Workforce Development's Arrest and Conviction Records under the Law publication.

Please indicate that you have read the above and agree to the use of web site subject to the above terms, and understand the limitation of the database.

State of Wisconsin vs. Brian L Jones

Brown County Case Number 2007CM000134

The defendant Brian L Jones was found guilty of the following charge(s) in this case.

- Possess Drug Paraphernalia, an unclassified misdemeanor, Wisconsin Statutes 961.573(1).

Notice to employers: It may be a violation of state law to discriminate against a job applicant because of a conviction record. Generally speaking, an employer may refuse to hire an applicant on the basis of a conviction if the circumstances of the conviction substantially relate to the particular job. For more information, see Wisc Statute 111.335 and the Department of Workforce Development's Arrest and Conviction Records under the publication.

Director

Director's Report March 4, 2009

1. New Communications Center Project

The project is on schedule. The inmates were back in the cell block under the Center area on 2/21. We held a vendor meeting to agree on wiring for the equipment rooms on 2/19. This week we have identified some specific AC wiring concerns that must be corrected by the architect and wiring contractor before installation can begin.

The Communications Center Supervisors will begin a detailed move plan per position that will include discussion with each affected Department.

2. 911 Console Furniture RFP

The console selection committee has selected our console furniture vendor last week. We have narrowed the field from six vendors to two (Watson and Xybix). They each brought furniture here for our Telecomms to observe during the week of 2/16.

The final result was a low bid award to Xybix, who the committee felt offered the best value to the County.

3. Telephone lines

We continue to work on the detailed plan with IS to change all administration and non-emergency numbers. We have just received the number assignment range from AT&T. Approximately 100 lines will have to be changed or moved.

4. Replacement Computer Aided Dispatching System

We received the revised Brown County CAD System proposal and have reviewed the details with IS. This is part of the 2009 bonding plan, replacing the more expensive Foxcomm CAD system later this year. The next step is to negotiate a contract with Motorola.

5. MABAS (Mutual Aid Box Alarm System)

We began this mutual aid fire program on February 1. We were tested by the first MABAS Second Level Box alarm struck by Green Bay Fire that involved many departments responding. All communications went according to plan.

6. Foxcomm

We continue discussions with the Foxcomm Fiscal Advisory Board to delay the move of their equipment until after September 30th, to allow us to relocate the Center and add new CAD equipment. Any earlier move would disrupt service to Brown County.

They are now requesting an additional \$8316 from Brown County as our 38.76% share of Foxcomm's equipment move cost.

7. 800 MHz Rebanding

The rebanding of approximately 1000 units is underway, with Green Bay Fire being nearly completed ahead of schedule. Ashwaubenon began last week. Green Bay Police is scheduled later this month.

John Lampkin and I attended a webinar on the "Actual Cost Recovery Process" presented by the FCC's Transition Administrator on 2/25. That process is a painful auditing of all of the costs associated with the project by the Transition Administrator and Nextel. This audit will occur after project completion.

8. National Telecom Week

National Telecommunicators Week, honoring the efforts of Public Safety Telecommunicators nationwide, will be celebrated during the week of April 13th. Our awards ceremony is scheduled for April 15th at 4 PM at the Museum. We will acknowledge some of the individuals that make it happen here everyday.

9. VoIP

We received our first 911 call from India last week. The person had Voice Over IP service and had recently moved from Howard to India, but failed to reset his location status. The call resulted from him attempting to dial an international number. This illustrates the problem with this new technology that the FCC has recently directed the industry to address.

10. Omnibus Appropriations Bill

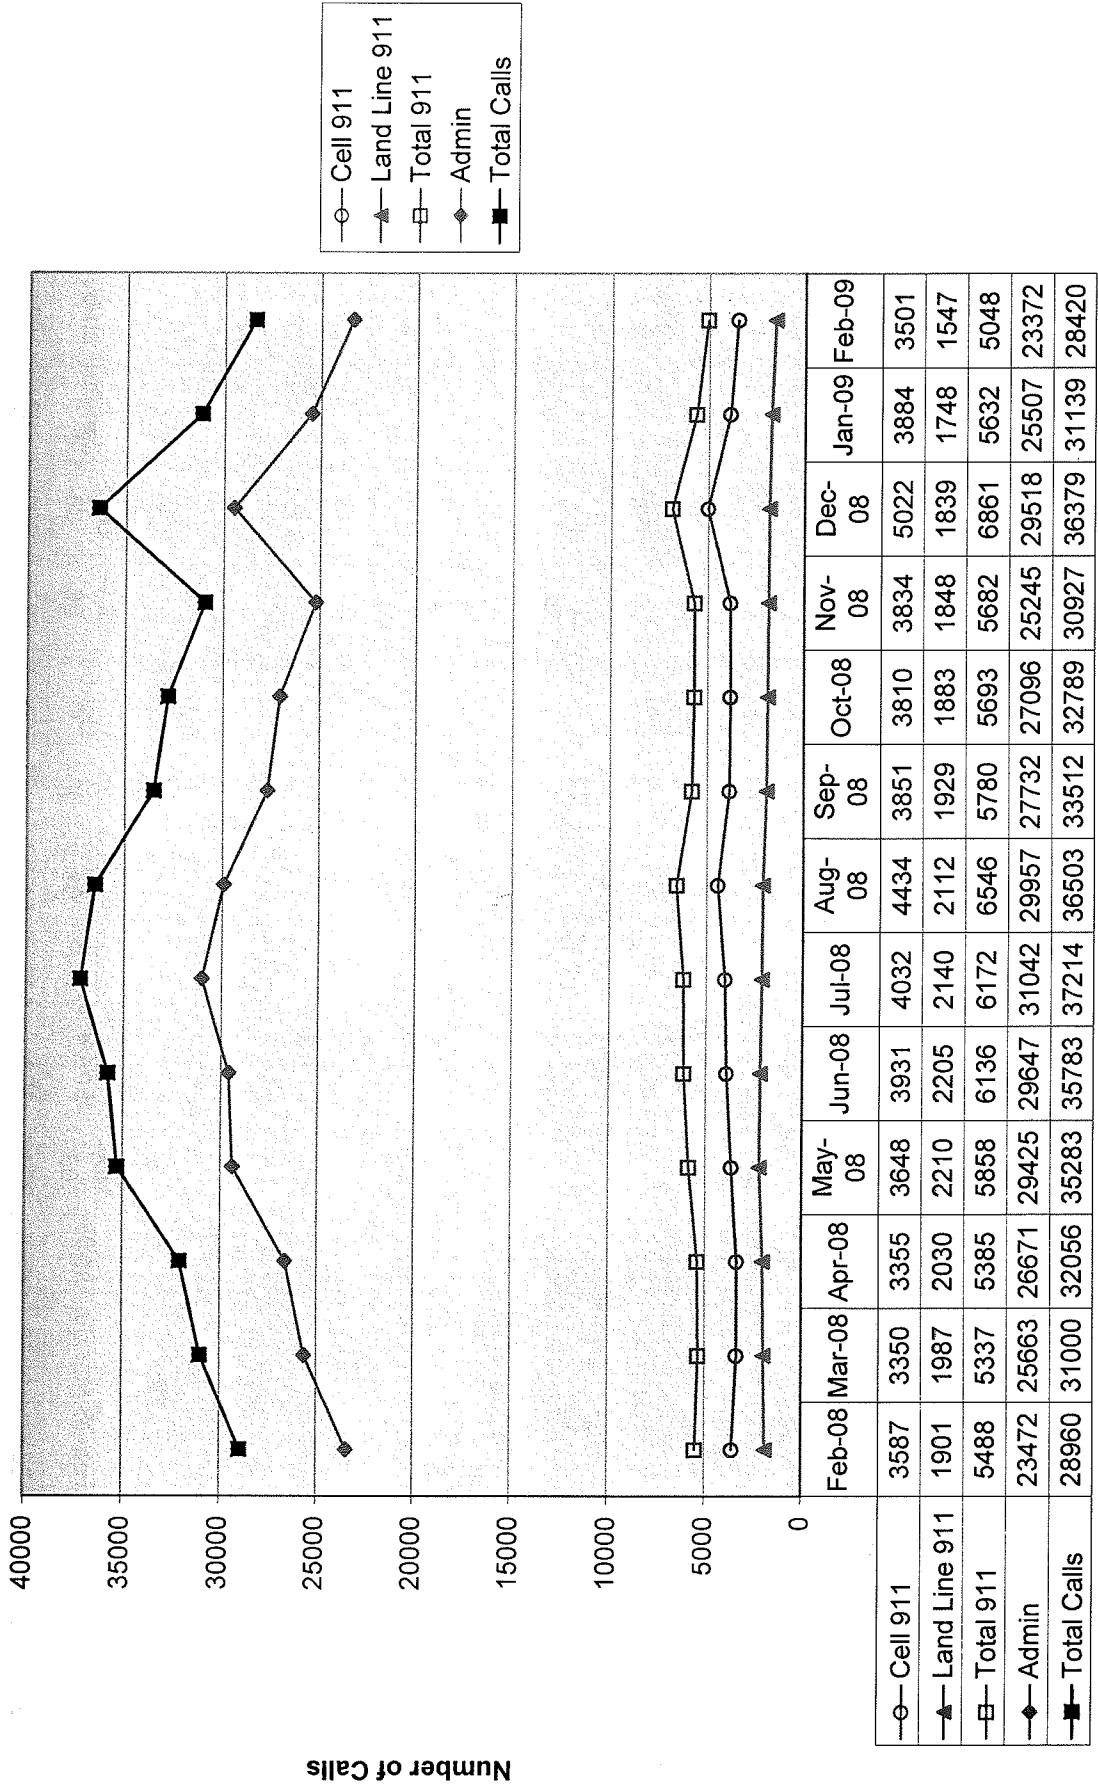

Representative Kagan announced that Brown County was approved for \$230,000 for a radio tower as requested last year. The bill passed the House last week and has yet to pass the Senate or be signed by the President. He held a news conference announcing the award last Friday.

Regards,

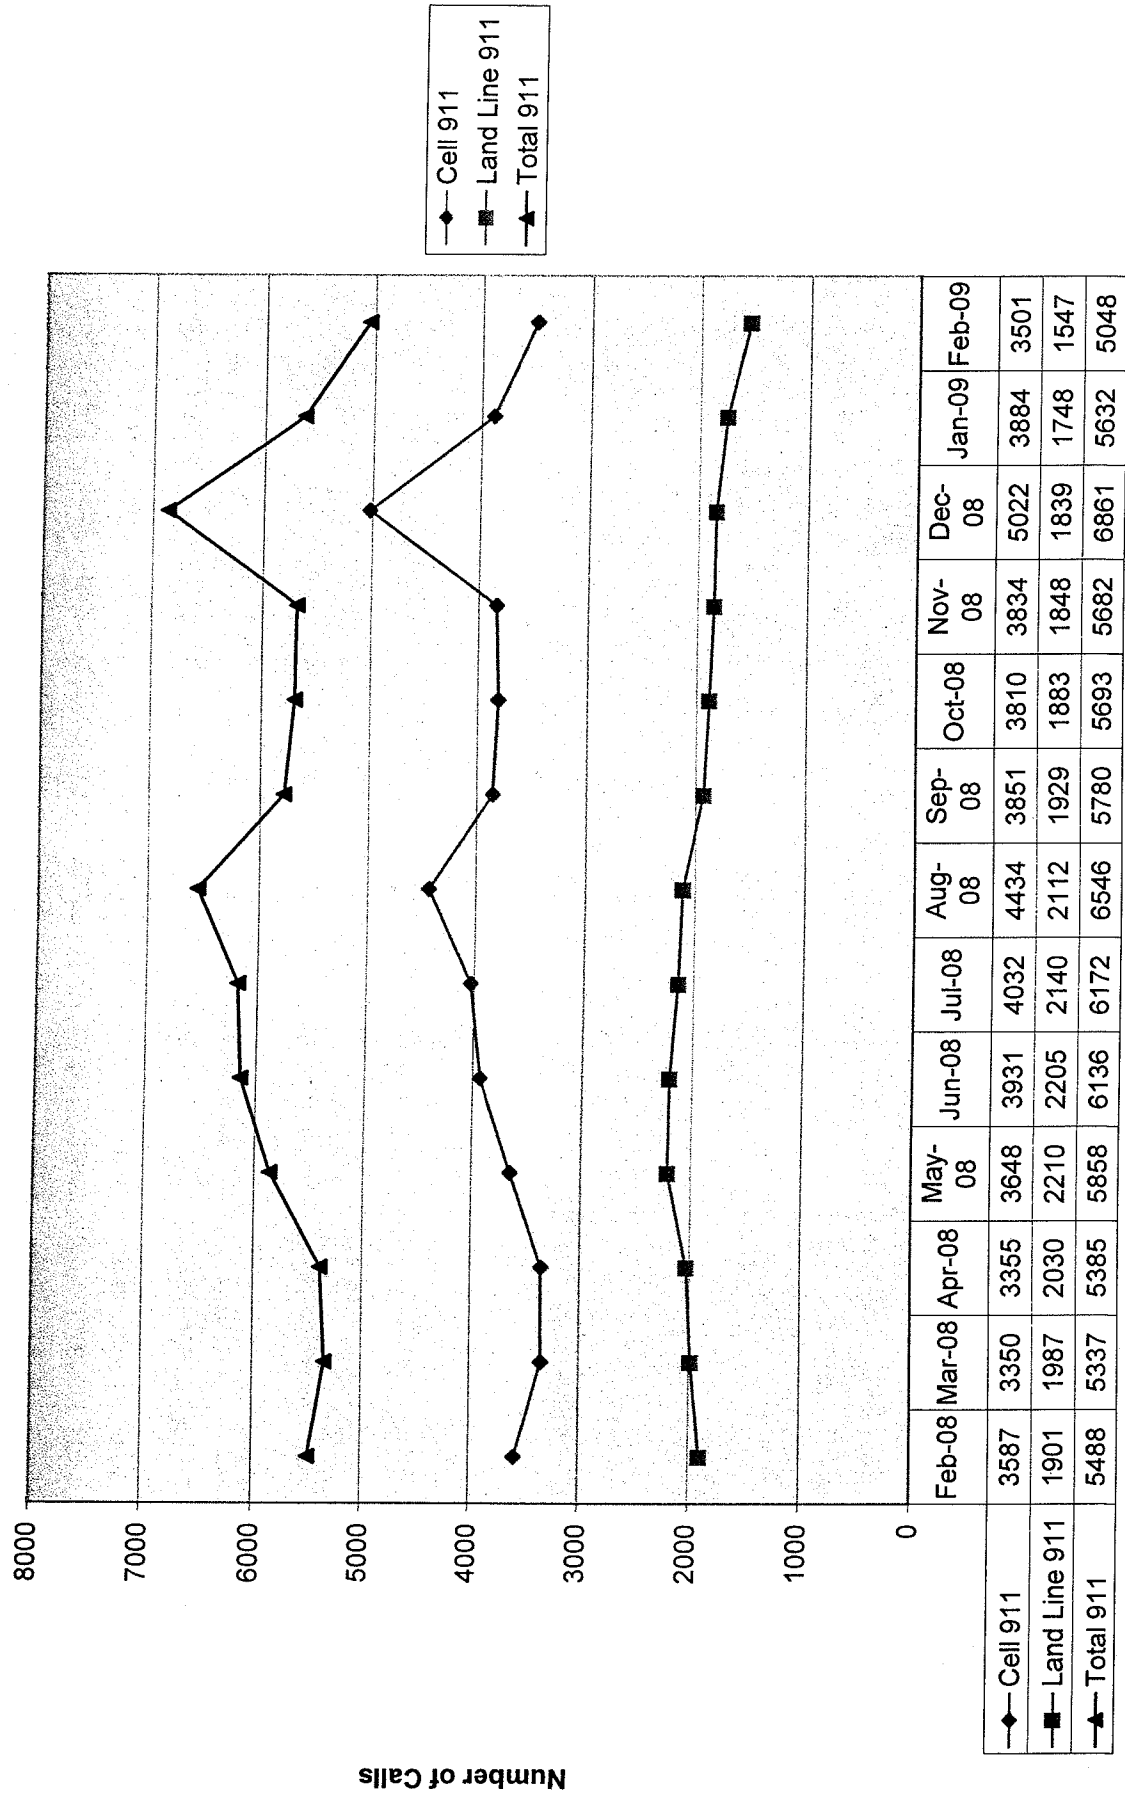

Jim Nickel
Director
